

## When Dreams Come True

“All of us dream but not equally  
Those who dream by night in the deep  
recesses of their minds awaken to find  
that it was vanity --  
But the dreamers of the day are dangerous  
that they may act their dreams with  
open eyes to make it possible.”  
TE Lawrence

We are faced with a tremendous problem  
The problem of insurmountable opportunities.

Last week we ended with a question ---

Based on what God has brought across your path, placed in the back recesses of your mind,  
stirred in the heart of your emotions this summer,

What are you dreaming, pondering or puzzling over?

### God Brings Day Dreams

Nehemiah 1:1-4

2:11-12

I Chronicles 28:11-12, 19

I Samuel 14:1, 6-7

*To Dream the Impossible Dream from The Man of La Mancha*

To dream the impossible dream  
To fight the unbeatable foe  
To bear with unbearable sorrow  
To run where the brave dare not go

To right the unrightable wrong  
To love pure and chaste from afar  
To try when your arms are too weary  
To reach the unreachable star

This is my quest to follow that star  
No matter how hopeless, no matter how far  
To fight for the right without question or pause  
To be willing to march into Hell for a heavenly cause

And I know if I'll only be true to this glorious quest  
That my heart will lie peaceful and calm when I'm laid to my rest

And the world will be better for this  
That one man, scorned and covered with scars  
Still strove with his last ounce of courage  
To reach the unreachable star

This is my quest to follow that star  
No matter how hopeless, no matter how far  
To fight for the right without question or pause  
To be willing to march into Hell for a heavenly cause

And I know if I'll only be true to this glorious quest  
That my heart will lie peaceful and calm when I'm laid to my rest

And the world will be better for this  
That one man, scorned and covered with scars  
Still strove with his last ounce of courage  
To reach the unreachable star
