Song & Story - Oak Lawn West

WHERE TO PARK

Oak Lawn West
Oak Lawn West

We are so excited for our fall semester groups that kick off in September. Thank you for participating in these studies and activities. With our main parking lot being a construction zone, we have developed a parking plan to help us distribute and safely park each group (see above) in neighboring lots.

We encourage you to cross the street at the designated crossing zones. Please note the sidewalk along Oak Lawn (east) is indefinitely closed. The shuttle will run from the Irving Garage on Tues/Wed/Thursday mornings, Wednesday evenings, and other designated special events. Anytime there is a shuttle, there will also be security for your safety.

Please note, if Park Cities Presbyterian Church attendees choose to park in other neighboring business lots, they not only take the risk of getting towed, but also of damaging the churches relationship with that neighbor.

If you have any questions, please contact your group leader/coordinator for assistance.
