Learn how to make important life decisions for your family at this FREE seminar. Hear estate planning attorneys' answers to:

- *Is your will or trust current?*
- *Should you have a will or trust? Who is a good guardian or trustee for your children & grandchildren?*
- *When does your healthcare agent make critical decisions for you? Are you or your family in charge of decisions?*
- *How can you easily preserve assets for loved ones?*

Plus, you receive a complimentary Estate Planning Guide.

This seminar follows the popular multimedia estate planning book *Provide & Protect* by A. Charles Schultz, J.D., a well-known estate planning expert, presented by PCPC's Tom Neuhoff & Diann Addison.

The **Provide** section of this seminar shows you how to make good decisions to help your family in the future. With a good plan you can avoid an accidental disinheritance and leave your family the gift of peace. Come learn about:

- Important Life Decisions
- Helping Children/Grandchildren Today & Tomorrow
- Planning for a Difficult/Special Needs Child
- Passing Integrity and Initiative

The **Protect** section of this seminar explains how you or a family member can make important medical decisions. If you are very ill or have a major medical problem, there are ways to protect you and your property. Learn about:

- Selecting a Person(s) to Make Medical Decisions
- Chronic Illness—Care of Your Person
- Chronic Illness—Care of Your Property

### PROVIDE & PROTECT BENEFITS

There are three excellent benefits when you attend this seminar:

1. There will be estate attorneys present to answer your questions (Tom/Diann).
2. You will receive a copy of the multimedia estate planning book, *Provide & Protect*.
3. Attendees may receive a printed copy of the Estate Planning Guide.

### WHO SHOULD ATTEND?

- **Young families** who need to select a guardian for children.
- **Baby boomers** who may want to update their estate plan during a time of many life changes.
- **Seniors** who need to have a trusted advocate.
